Legislative Networking Reception

5 p.m. - 7 p.m.

The Legislative Networking Reception is the perfect time to have impactful conversations with attentive lawmakers who can help spotlight and address issues and challenges facing in-home care.

For those who have never met their state senator, the event is a great way to meet and start to build rapport with your representative. For those who know and are known by their state senator, the reception is a great way to have additional contact to follow-up on any issues your organization is experiencing.

We will be discussing work being done to help address much-needed reimbursement rate adjustments for Medicaid home health services, and for Medicaid aged and disabled waiver for personal care home care services.
