May Webinar:

What: **Patient Care Plan Balance: Needs and PDGM!**

When: **Thursday, May 21, 2026**
1:00 pm - 2:00 pm CT / 12:00 pm - 1:00 pm MT

Who: **Presented by Annette Lee w/ Provider Insights**

This webinar equips **home health nurses** and **therapists** with practical, real-world strategies to use **case management** as a **clinical** and **financial tool** to improve patient outcomes, enhance care coordination, and support agency sustainability under PDGM. This session is designed to strengthen clinicians' confidence in managing complex cases while supporting organizational performance and long-term success.

Participants will explore how skilled clinical decision-making, accurate assessment, and strategic visit planning directly influence **quality measures, utilization patterns, patient experience, and reimbursement**. Through case examples and industry benchmarks, attendees will learn how to balance patient-centered care with fiscal responsibility, align services with functional and clinical needs, and avoid both under- and over-utilization. Emphasis is placed on documentation integrity, interdisciplinary collaboration, and proactive care planning to support positive outcomes, HHVBP performance, and regulatory compliance.

Join renowned home health and hospice expert and former CMS MAC medical review nurse, Annette Lee, of Provider Insights, Inc., for an educational, & eye-opening webinar, for new and well-seasoned clinicians. With over a decade of experience making daily decisions on payments and denials, Annette will break down the Medicare payment guidelines in a meaningful, common sense way.

RN, MS, HCS-D, COS-C, Founder and President of Provider Insights

Annette Lee knows Medicare inside and out. She's had over a decade of experience with CMS performing medical review, and provided years of consultancy services- including contracting with the MAC to be the Clinical Education Coordinator. Annette built Provider Insights to make the rules make sense to home health and hospice providers.
