Objectives

In order to receive a Certificate of Completion:

1. Attend the entire conference.
2. Complete an evaluation form.
3. Register your contact hours (CE) through an online portal provided by the Iowa Western Community College Board of Nursing Provider #6 **by November 15, 2023**

Purpose Statement: Apply OASIS E changes, tools and guidance to improve patient assessments and quality of care.

Objectives:

- 01** The learner will be able to discuss the uses of OASIS data and how that impacts a home health agency, as well as the industry.
- 02** The learner will be able to list items to consider when performing a comprehensive assessment.
- 03** Learners will be able to discuss the changes OASIS E brought, and the details of the guidance for these items.
- 04** Learners will identify CMS guidance on M1400, M2020, and M2420.
- 05** Learners will be able to discuss the details of CMS guidance and contrast of the guidance between the M1800 and GG0130 and GG0170.
- 06** Learners will be able to discuss and apply “real life scenarios” to the objectives learned today.

Speaker

Annette Lee, RN, MS, COS-C, HCS-D is a passionate home health/hospice and patient advocate, who provides support and empowers her clients to create a culture of compliance, while providing quality, efficient, patient-centered care. A registered nurse, with a Master’s in Health Care Administration, Annette has practiced since 1990, with the majority of her nursing experience in home health. For over a decade she worked with the CMS intermediary where she provided review of, and education on home health and hospice documentation. Annette then began providing outreach and provider education regarding Medicare reimbursement issues and effective documentation strategies, assisting providers with ADRs and appeals. Today she marries together her experience in the “real world” and the inside knowledge of Medicare to ensure providers can meet the requirements of CMS, and ensure compliant, efficient operations. She presents nationally on OASIS, PDGM, HIS, HHVBP, documentation and coverage and has provided content expertise to the CMS OASIS Q&A Mailbox. Annette holds both the Certificate for OASIS Specialist-Clinical and the Home Care Coding Specialist-Diagnosis certification. She is an AHIMA approved ICD-10-CM Coding Trainer.
